Art Show 2022 Video Transcript

Helen Keller National Center Art Show.

They Dream It, They Create It.

All art pieces were created by DeafBlind participants at Helen Keller National Center. Witness the creative expression of these talented individuals. Enjoy the show!

This video contains a montage of DeafBlind individuals with their artwork. The work includes visual and tactile paintings, sculptures, drawings, canvas weavings, collages, digital illustrations, and ceramics.

We hope you enjoyed the show!

We'd like to thank Antonia our art therapy teacher for working hard with each participant on their individual goals and achieving such amazing results.
