

# Helen Keller Services 35th Annual Golf Classic

June 29, 2026 | Village Club of Lake Success

## Program

**10:30 am** - Registration & Continental Breakfast

**12:00 pm** - Shotgun Start

BBQ Lunch on the Turn

**5:00 pm** - Cocktails, Buffet Dinner & Awards

For over a century, Helen Keller Services has empowered individuals who are blind, DeafBlind, or have low vision to reach their full potential. From early childhood education, a summer camp on Long Island and programs for youths, to assistive technology training, vocational rehabilitation, and specialized support for seniors with vision loss, we create pathways to independence at every stage of life.

Dear Friends and Supporters,

I hope you'll join us for Helen Keller Services' 35th Annual Golf Classic on Monday, June 29, 2026, at the Village Club of Lake Success. Year after year, this event brings our community together on the course for a day of friendly competition, good company, and shared purpose.

This year, your participation carries special meaning. In 2026, Helen Keller Services is opening two new Children's Learning Center locations on Long Island, bringing specialized preschool services to children ages 3 to 5 with complex developmental needs, including autism, Down syndrome, visual impairments, multiple disabilities, and conditions affecting learning, communication, mobility, and social development.

For too long, children with disabilities across Nassau and Suffolk counties have had limited options for this level of specialized care. Together, the two new locations will serve up to 120 children annually, giving more families access to the resources and services they need closer to home.

Whether you're a long-time supporter or joining us for the first time, your presence makes a difference. I look forward to greeting you on the green on June 29th.

Sincerely,

*Larry Kinitsky*

Larry Kinitsky  
Chairman of the Board
