

## CLC LONG ISLAND EXPANSION STONE GOAT FUNDRAISER EVENT SPONSORSHIP OPPORTUNITIES

Thursday, May 7, 2026  
The Stone Goat Restaurant & Brewery  
552 N Country Rd, Saint James, NY 11780

Helen Keller Services is expanding the Children's Learning Center (CLC) to Long Island, bringing specialized preschool services to Suffolk and Nassau Counties. The CLC is a specialized preschool program for children ages 3–5 with complex developmental needs—including visual impairments, autism, Down syndrome, multiple disabilities, and other conditions affecting learning, communication, mobility, and social development.

On Thursday, April 23, 2026, we're gathering our community at The Stone Goat Restaurant & Brewery in Saint James to build philanthropic support for this expansion. Join us for an evening of food, drinks, and community as we support the CLC expansion to Long Island.

Event sponsorships help make the evening itself possible, and your partnership is what puts this night in motion. The funds raised that evening will go directly toward the specialized technology, adaptive equipment, and enhanced learning environments that go beyond what operational funding covers.
